Bridgeport - CT
1.0 Hours / 36 Miles (to Watertown)

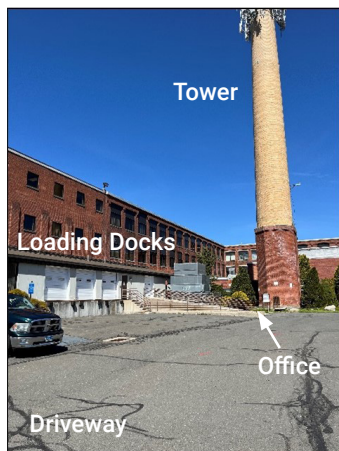

Detailed route description

27 Siemon Company Drive is a very long brick building with a tall smokestack (now a cell tower) behind it. Our office and loading docks are at the base of that tower.

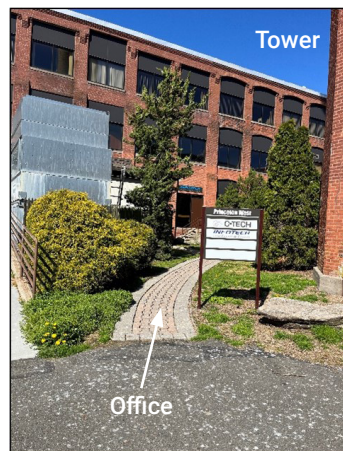

The driveway to get to the rear of the building is before you reach the building (on the right). Once you turn, you will cross over a small bridge.

Driveway
(From Siemon Company Drive)

Loading Docks
(On the left coming into the parking lot)

Office
(Sidewalk next to tower)
